RESOLUTION AMENDING RESOLUTION 16-6-8 FROM MONTGOMERY COUNTY FAIR BOARD TO MONTGOMERY COUNTY FAIR COMMITTEE AND ADDING COMPENSATION FOR MEMBERS

WHEREAS, the Rules Committee is charged with the responsibility of analyzing the structure, organization and functions of the various boards, committees and commissions of Montgomery County Government; and

WHEREAS, the Rules Committee unanimously recommended the creation of a Montgomery County Fair Board which was approved by Resolution 16-6-8 on June 13, 2017, however, the auditors pointed out that the word "Board" implied that money was involved, which is not the case. The Rules Committee agreed at their meeting on June 11, 2018, that the name should be amended to reflect Montgomery County Fair Committee and that members would be compensated according to Section 1 of the Internal Operating Rules.

NOW, THEREFORE, BE IT RESOLVED by the Montgomery County Board of Commissioners meeting in regular business session on this 9th day of July, 2018, that the Montgomery County Fair Board be amended to Montgomery County Fair Committee and adding compensation for members according to Section 1 of the Internal Operating Rules.

AUDIT REPORT OF HOTEL/MOTEL OCCUPANCY TAX COLLECTIONS

I am pleased and honored to come before this Honorable Board of County Commissioners to deliver an Audit Report of Hotel/Motel Occupancy Tax Collections in Montgomery County, Tennessee. I would also like to recognize Theresa Harrington, Convention/Visitor's Board Director, who is present this evening and who may assist me in answering any questions you may have regarding the Hotel/Motel Tax.

- Every month, the Montgomery County Commission receives a copy of the Comparison of Hotel Occupancy Tax Collections (see attached)
- Currently there are 41 hotels/motels in Clarksville/Montgomery County, Tennessee. Two of these are campgrounds.
- b In the Summer 2018, 2 new hotels are set to open-the SleepInn & Suites and TownPlace Suites.
- Tru by Hilton has broken ground on Mr C Drive. We do not know when they plan to open. The Trustee's Office will be in contact with the hoteliers to give them a copy of the local Hotel/Motel Tax law and forms necessary to file their tax collections with the Trustee's Office.

Trustee's Office Reporting and Audit and Compliance Process

- 1. The Trustee's Office makes contact with each hotelier and provides copies of forms necessary to timely file their monthly Hotel/Motel Tax Collection report with revenue.
- 2. When the hotelier turns over their <u>Hotel/Motel Tax Form Under Private Act 79-167</u> (with 30-day Occupancy Report) by the 20th of each month with revenue. We request the hotelier also turn over <u>TN Dept. of Revenue State and Local Use Tax Reurn SLS450</u> to match the Gross Taxable Total Sales amount on each document for audit compliance. Sometimes we have to contact the hotelier because of discrepancies in their occupancy reports.
- 3. All Hotels/Motels have returned their 2017-2018 monthly Hotel/Motel Tax Form Under Private Act 79-167 (with 30-day Occupancy Report) with revenue.
- 4. Our audit and compliance process for 2017-2018 (receiving a copy of Form TN Dept. of Revenue State and Local Use Tax Return SLS450 for audit compliance purposes) is ongoing and will continue throughout the Summer 2018. A comparison of each hotel/motel room Gross Sales reported to the Trustee is compared with each month's TN Dept. of Revenue Gross Sales Tax reported to verify the amounts reported are identical.
- 5. Hotels/Motels are allowed to deduct restaurant sales, vending machine sales, meeting room rentals and misc income from their monthly sales reported for occupancy tax purposes. Also, rooms rented to one person for over 30 days are exempt from paying occupancy taxes. Proof must be submitted on all exempt sales.

Questions/Discussion Items

- Resolution 18-7-1 (5% to 8%) Hotel/Motel Tax Increase; After approval by County Commission the Trustee's
 Office will need 90 days to begin actually collecting the (8%) to amend forms, information in hotelier's computer software, etc. Please remember we collect (1) month in arrears. (see attached County by County %amt.)
- HomeAway/Airbnb and VRBO, etc: Montgomery County, TN. has at least 236 short-term rentals. As a project
 for the 2018-2022 Montgomery County Commission, to begin research and consider amending local laws regarding short-term rentals, identify and begin collecting the local Occupancy Tax on short-term rentals. Historical zoning/restrictions, safety of families in neighborhoods are some concerns with short-term rentals.

Hotel/Motel Tax

Seventy-six counties levy the hotel/motel tax, which is authorized by private act on the privilege of occupancy of hotel and motel rooms. (Davidson County is the exception as it has utilized a general law that applies only to metropolitan governments.) Rates vary according to the terms of the private act. Currently, rates are imposed ranging from 2 percent to 7.5 percent of the price of the lodgings. The distribution of the tax is set forth in the private act. The rates and distributions are shown in Table 8.

Since May 12, 1988, any private act which authorizes a city or county (Dickson, Rutherford, Shelby, and Williamson counties excepted) to levy a tax on the privilege of occupancy of a hotel must limit the application of the tax as follows:

- A city shall only levy such tax on occupancy of hotels located within its municipal boundaries;
- A city shall not be authorized to levy such tax on occupancy of hotels if the county in which such city is located has levied such tax prior to the adoption of the tax by the city; and
- 3. A county shall only levy such tax on occupancy of hotels located within its boundaries but outside the boundaries of any municipality that has levied a tax on such occupancy prior to the adoption of such tax by the county.¹

These limitations only apply prospectively and all private acts levying taxes on the privilege of occupancy of hotels enacted prior to May 12, 1988, shall remain in full force and effect. Note that home rule municipalities have separate general law authority to levy hotel/motel taxes. As these taxes are not levied by private act, the limitations listed above do not apply to hotel/motel taxes levied by a home rule municipality.
