RESOLUTION REQUIRING MINIMUM RECORD RETENTION REQUIREMENTS FOR HOTELS AND MOTELS IN TENNESSEE

WHEREAS, it is necessary for law enforcement to safeguard the public's welfare; and

WHEREAS, it appears that lawbreakers often seek refuge in hotels, motels and such other commercial housing establishments; and

WHEREAS, Tennessee Code Annotated § 68-15-604 does not mandate certain identification and record keeping requirements for hotels, motels and such other commercial housing establishments; and

WHEREAS, local law enforcement departments have made the following minimal requirement recommendations that will aid them in protecting the public:

- Every lodging establishment in the State of Tennessee shall keep and maintain a register for a period of thirty-six (36) months in which the operator shall inscribe the name, address, and date of birth of every adult guest who registers for a room or rooms;
- The lodging establishment shall also include in the guest register the make, model, license plate number and state of issuance of all guests' vehicles prior to the termination period for which the room or rooms were let;
- The guest shall provide the operator with a valid state or federally issued picture identification;
- Registration records shall be available for reasonable inspection by any federal, state, county or city law enforcement personnel.

NOW, THEREFORE, BE IT RESOLVED by the Montgomery County Board of Commissioners meeting in regular session on this day 14th day of January, 2013, that the Tennessee General Assembly is strongly urged to amend Tennessee Code Annotated § 68-15-604 and mandate the following items:

- Every lodging establishment in the State of Tennessee shall keep and maintain a register for a period of thirty-six (36) months in which the operator shall inscribe the name, address, and date of birth of every adult guest who registers for a room or rooms;

Re: Maury County resolution

Maury County Mayor Jim Bailey made a short presentation at the TCSA Fall conference concerning proposed legislation which his county is seeking to have passed by the General Assembly. Copies were distributed to the ACM membership in attendance. If you were unable to attend, we are making an electronic copy available to you. You may wish to have your county adopt a similar resolution in support of this proposed legislation and forward it to your legislative delegation. We feel that this would be a valuable tool for law enforcement. (see attachment)

Dear County Mayor/Executive

This resolution was passed by the Maury County Commission meeting in regular session on August 20, 2012 by a vote of 21-0. I would appreciate your support in presenting it to your county commission for their consideration and passage. After being passed please discuss with you state representative and senator for their support.

I believe this resolution will have a significant impact in assisting law enforcement officers in solving crimes with a greater degree of efficiency and speed which is critical in cases involving child abduction. This resolution will be supported by law enforcement associations such as the Tennessee FOP, Tennessee Chiefs of Police, Tennessee Sheriff's Association and other agencies whose support is critical to the amending of TCA 68-15-604. It is also planned to seek the support of the local PTO/PTA organizations as well as private agencies.

As you know the key to the passage of an amendment to an existing TCA statute is the support of as many entities as possible including the support of our elected state representatives and senators. In my own career I have found it is much easier to accomplish any legislative issue when you actively involve many counties in contacting their elected state officials directly. While I know many state legislators personally these individuals are more influenced by their own constituents contacting them about the issue.

I appreciate your consideration of endorsing and actively supporting this important piece of legislation.

Respectfully,

James L. Bailey, Jr.
Maury County Mayor
