**RESOLUTION OF THE MONTGOMERY COUNTY
BOARD OF COMMISSIONERS APPROPRIATING FUNDS
FOR THE RENOVATION OF NORTHWEST HIGH SCHOOL
AND CONSTRUCTION OF ELEMENTARY SCHOOL #23**

WHEREAS, the Northwest High School (NWHS) facility opened the fall of 1970. The building is now 40 years old and in need of a general renovation (clean-up, paint, fix-up) to ensure it remains an adequate educational facility and to ensure equitable distribution of educational facilities to all students in Montgomery County; and,

WHEREAS, the original architecture of NWHS incorporated the "Open" concept that was effective in the 1960's and early 70's. The open concept is no longer ideal because of current teaching and learning styles and because of current security requirements that cannot be achieved without considerable modifications to the existing building to create a single controlled entrance point and to create a secure indoor connection to the 400 building (Career Technical Programs) on the campus; and,

WHEREAS, this facility does not comply with current ADA codes (door width, elevators, ramps, and grades) or with current building codes (sprinkler). The building is in need of these upgrades to ensure accessibility and safety of the students, the staff, and the public; and,

WHEREAS, the electrical capacity of NWHS does not allow for the electrical demands required to power the technology in today's classroom; and,

WHEREAS, the current core capacity and flow of the existing NWHS does not lend itself to the current student capacity of the building. Therefore, additional core (restrooms, cooking kitchen upgrades, auxiliary gym, and theater) are required to bring the building to appropriate capacity; and,

WHEREAS, the Clarksville-Montgomery County School System (CMCSS) is requesting funding in the amount of \$105,000 to hire an architect through the schematic design phase; and,

WHEREAS, the county's continued population growth has resulted in CMCSS elementary schools in Zoning Region II being at 97.86% of student capacity and driving the need to build the District's 23rd elementary school; and

WHEREAS, there are 16 portable classrooms on the seven elementary school campuses (BMES, GES, HES, NEES, RES, SBES, WCES) that will most likely be affected by the opening of Elementary School #23; and,

This Resolution was withdrawn and deferred to the February BOC meeting.

1

WHEREAS, the one year student enrollment growth for FY 2010-11 for the seven elementary schools in Zoning Region II is an additional 392 students; and,

WHEREAS, in 2009 there were 607 residential building permits issued in Zoning Region II and currently there are 5,909 approved residential lots in this region; and,

WHEREAS, CMCSS owns a 15 acre campus in Zoning Region II that is suitable for the construction of an 842 student capacity elementary school; and,

WHEREAS, the Clarksville-Montgomery County School Board has approved the Rossvie Elementary School prototype floor plan for the construction of Elementary School #23; and,

WHEREAS, fast tracking of this construction project is critical and will enable the District to address the projected student enrollment requirements for the fall of 2013 and CMCSS is requesting funding in the amount of \$595,000 to hire an architect through the bidding phase.

NOW, THEREFORE, BE IT RESOLVED BY the Montgomery County Board of County Commissioners assembled in Regular Session on this 10th day of January, 2011 that this Commission expresses its intent to fund the renovation of NWHS and that the sum of \$105,000.00 be and the same is hereby appropriated to the School Capital Project Fund for the employment of an architect through the schematic design phase. The Commission also expresses its intent to fund the construction of Elementary School #23 and that the sum of \$595,000 be and the same is hereby appropriated to the School Capital Project Fund for the employment of an architect through the bidding phase.

BE IT FURTHER RESOLVED that this appropriation be funded from CMCSS' General Purpose School Fund Balance, subsequently to be reimbursed by the issuance of School Bonds by June 1, 2011, all pursuant to and in accordance with all pertinent provisions contained in Section 49-3-1001 through 49-3-1007 inclusive of Tennessee Code Annotated;

Duly passed and approved this 10th day of January, 2011.
